

Wednesday 12th November

Jill Burton Former Education Officer, Erddig & Chirk Castle

“Erddig’s Thief Cook – fact or fiction”

Erddig is well known for the Yorke family’s recording of their servants, in poetry and portraiture. But it was their choice of which servants they recorded. What of the many others, and those they chose to forget? Jill will uncover one of those stories which ended in disaster for the Yorkes and their reputation.
